Yes

No

6. In the last 14 days, have they received a COVID Alert exposure notification on their cell phone?

Yes

No

Results of Screening Questions

If you answered “YES” to any of the symptoms included under question 1:

- Contact Coronation Minor Hockey Association to let them know about this result.
- They should isolate (stay home) and not leave except to get tested or for a medical emergency.
- Talk with a doctor/health care provider to get advice or an assessment, including if they need a COVID-19 test.
- Household members without symptoms may go to hockey activities. Check your local public health unit’s website or call to see if they have different rules based on local risk.

If you answered “YES” to only one of the symptoms included under question 2:

- Contact Coronation Minor Hockey Association to let them know about this result.
- They should isolate (stay home) for 24 hours and not leave except for a medical emergency.
- After 24 hours if their symptom is improving, they can return to hockey activities when they feel well enough to go. They do not need to get tested.
- Household members without symptoms may go to hockey activities. Check your local public health unit’s website or call to see if they have different rules based on local risk.

If you answered “YES” to two or more of the symptoms included under question 2:

- Contact Coronation Minor Hockey Association to let them know about this result.
- They should isolate (stay home) and not leave except to get tested or for a medical emergency.
- Talk with a doctor/health care provider to get advice or an assessment, including if they need a COVID-19 test.
- Household members without symptoms may go to school/child care/work. Check your local public health unit’s website or call to see if they have different rules based on local risk.

If you answered “YES” to any of questions 3,4,5 or 6:

- Contact Coronation Minor Hockey Association to let them know about this result.
- They should isolate (stay home) for 14 days and not leave except to get tested or for a medical emergency.
- Talk with a doctor/health care provider to get advice or an assessment, including if they need a COVID-19 test.

**If you and your child answered “NO” to all questions,
your child may participate in the CMHA practice or game
and as an accompanying adult you can watch in designated areas.**
